PROFILE

I am a C# developer with a comprehensive understanding of multiple programming languages and technologies. My expertise includes not only C# but also Python, SQL, JavaScript, HTML and CSS. This diverse skill set allows me to effectively handle both front-end and back-end development tasks.

I approach challenges with a positive mindset, viewing them as opportunities for growth and improvement. My active involvement in various projects has provided me with practical experience, enabling me to apply my theoretical knowledge effectively. I am committed to continuous learning and professional development, I ensure that I stay current with the latest industry trends and best practices, enabling me to tackle complex challenges and deliver high-quality solutions.

EDUCATION

Alexandra High School <i>National Senior Certificate (Matric)</i>	Jan 2013 - Dec 2017
Durban University of Technology <i>Diploma in ICT Application Development</i>	Jan 2018 - Dec 2021
Durban University of Technology <i>Advanced Diploma in Information and Communication Technology</i>	Jan 2022 - Dec 2022

TECHNICAL SKILLS

Programming Languages	SQL, UML, HTML, CSS, JavaScript, React, Python, C#
Software	MS Power Platforms, VS Code, SQL Management Studio, Android Studio, Wordpress, Microsoft Office Suites.
Operating Systems	Linux, Windows, MacOS.
Languages	IsiZulu, English.
Behavioural	Communication, Teamwork, Problem Solving, Decision-making.

EXPERIENCE

Sappi <i>IT Support</i>	Feb 2023 - Jan 2024
As an IT intern at Sappi, I provided technical support and maintenance for the company's IT infrastructure, including Microsoft Exchange and Active Directory. I joined Sappi in 2023 and I gained valuable experience in troubleshooting, configuring, and deploying IT solutions.	
Ardagh Group <i>Graduate Intern</i>	Mar 2024 - Present
As a graduate intern, I am offered comprehensive training and onboarding, providing real-world project experience and exposure to various technologies and domains. I gain a lot from mentorship and guidance, professional development in both technical and soft skills, and numerous networking opportunities. Regular performance reviews and constructive feedback in continuous learning and career growth.	

INTERESTS

Software Development	Software Testing	Data Science	Cloud Computing	Cyber-security
